

2024-2025 ECCO Annual Disclosure of Potential Conflict of Interest

Name: Li Wai Suen, Christopher

In its aim to foster transparency and based on the ICJME Disclosure Form for Potential Conflict of Interest, ECCO has collected the according information of ECCO Officers and invited congress faculty at ECCO'25 via its online submission system.

The CoI Disclosure information is updated every autumn in line with the respective Congress business year. The purpose is to have a comprehensive declaration of interests for ECCO activities.

In case different disclosure answers have been submitted for different ECCO'25 presentations, the 2024-2025 ECCO Annual Disclosure of Potential Conflict of Interest on the association website shows the merged version of the answers to the following questions:

- Disclosure statement:
 - I have no potential conflict of interest to disclose
 - I have potential conflict of interest to disclose
- Potential Conflict of Interest can involve: grants, honoraria, shares, paid positions on advisory boards, etc.:
 - Grant
 - Personal Fees
 - Non-financial support
 - Other

Disclosures statement based on answers received:

Grant: |I am supported by an Australian National Health and Medical Research Council (NHMRC) postgraduate scholarship. |The cytokine study was carried out with support from the St Vincent's Hospital (Melbourne) Research Endowment Fund. |The PREDICT UC study was supported by a Jassen-Cilag investigator-initiated study grant. | |Non-financial Support: |Diasorin provided reagents and research support for the calprotectin study but was not involved in the study design or writing of the abstract. |Essange reagents (Netherlands) provided testing kits for the infliximab study but was not involved in the study design or writing of the abstract. | |Other: |I have previously received educational support from Pfizer, Shire, and Ferring.
