

Call for ECCO Educational Workshop 2023 Destinations

The primary goal of the [Educational Workshops](#) organised by the [ECCO Education Committee](#) is to harmonise IBD practices within ECCO Country Members by presenting the practical use of the ECCO Guidelines on Crohn's Disease and Ulcerative Colitis. Additionally, the Workshops provide continuous medical education with the ultimate aim of improving the quality of care for patients with IBD. The programme of this one-day workshop is created around clinical cases, with the intention of ensuring that the workshop is as educational and interactive as possible and that participants can take an active part in the discussions.

So far, 68 Educational Workshops have been organised, starting in 2007. A [list](#) can be found on the ECCO Website.

This call is specifically targeted at [ECCO National Representatives](#) with an interest in hosting such an Educational Workshop in their country or in a specific region during the year 2022. **National Representatives** who see this workshop as an opportunity to foster education in this particular field of expertise in their country **are invited to apply for an ECCO Educational Workshop** in their country/region.
