

**CALL for ECCO Participants in the ECCO Guidelines Update
on IBD and Malignancies 2020-2021**
Deadline for submissions is October 30, 2020

Context and aim of the project:

The last ECCO Guidelines on IBD and Malignancies were published in 2015. The time is ripe to update and expand on this Guideline.

The aims of the new guideline are:

The ECCO Guidelines on Malignancy will provide evidence-based guidance on both cancer risk associated with IBD and its treatment, and management of IBD patients with current or past-history of malignancy. The project will follow the Oxford levels of Evidence methodology, however it will incorporate a PICO-structured approach and a professional and rigorous literature search.
